

We've asked rcmp/others for info ASAP

Ottawa police say there was an incident at the convoy protest in front of Parliament.
OPS tells @CityNewsOttawa "Police responded to incident to truck at police barrier, no injuries, situation has been de-escalated."

Ok thank you!!

This is what we have from RCMP:

an OPS cruiser was hit by a truck earlier today at the corner of Wellington and Elgin. OPS are responding and we are waiting for an update from them. There are significant traffic disruptions in the area.
